## 2020 NATIONAL ELECTION PRAYER VIGIL

**September 4-6, 2020**

Hosted by the  
Washington, D.C.  
Community Teaching Center

**LIVE VIDEO BROADCAST**

The national elections in November of this year may be the most critical, decisive moment in the history of our nation. The issues that we face, at the local, national and international levels have reached a point that requires a crystal clarity of the minds and hearts of our citizens as they cast their ballots for those who are to assume the roles of leadership and who will work to resolve the seemingly intractable problems both at home and abroad.

America needs the spiritual work of our community of the Holy Spirit and the oversight of the Ascended Masters. Therefore, it is absolutely essential that we come together this Labor Day weekend to invoke the light that can enable Americans to set the course for victory for America and for the world.

## AMERICA AWAKE! BLAZE THE FLAME OF FREEDOM!

*Know well, then, that they have no power, saving the power the people give to them by their ignoring of the first responsibilities of a free people in a republican form of government. Thus, let this democracy in this republic be a flame that is not quenched by neglect. Fan the fire of Freedom, I say, by the Holy Breath that God gave thee at thy birth!*

- Beloved Maha Chohan, Pearls of Wisdom, Vol. 30, No. 68, December 7, 1987
